Boogie Kings Newsletter September 2012

“BOOGIE KINGS AT LOPSTOCK” **PLEASE NOTE VENUE CHANGE**

This year, LOPSTOCK 11 will be on Saturday, September 29th, at The Northwest Community Center in Eunice, Louisiana. LOPSTOCK is more of a get-together with a few extra musicians joining us for the fun. This year Mike Pollard and Lynn Fournet (Saxes) will play with us, as will Tony Solis (drums) and Jolayne Miller (vocals). Our first 90 minute set will be the songs we plan to play for the gig in Gretna. This is gonna be fun. We'll probably start around 1:30 or 2:00 PM and play until 5:00 or 6:00 PM, give or take a minute or two. ☺
☺.

Go to www.boogiekings.net and click on **LOPSTOCK** for directions to the Northwest Community Center in Eunice. Hope to see you there.
I've attached a map by yours truly to the Community Center. It's in Power Point

“GRETNA HERITAGE FESTIVAL”

The Gretna Heritage Festival located in Historic Downtown Gretna, Louisiana will be from October 5th to October 7th, 2012. The Boogie Kings, along with LeRoux, will play on Friday, October 5th. **Please note the change in our stage time. The Boogie Kings start at 6:00 PM and play until 7:30 PM – another 90 minute gig.** So, get there early, I don't want you to miss anything 😊. I'm not sure what time LeRoux is gonna play. You need to go to the “Gretna Heritage Festival” to see the line up of Musicians. When I saw it, I couldn't believe it. I can't wait to hear some of the other bands – real Legends.
